PERFORMANCE AND SPINE CHIROPRACTIC CENTER, LLC
INFORMED CONSENT TO CHIROPRACTIC ADJUSTMENTS AND MASSAGE CARE

Chiropractic treatment consists of manipulations of joints and soft tissues, using the hand and/or a mechanical instrument. You may feel joint movement, and you may hear joint clicks or other noises. Some patients will feel some stiffness and soreness following the first few days of treatment. These are normal and not a cause for concern. There are different techniques used in Chiropractic spinal manipulations. There are also alternatives to Chiropractic care, including but not limited to: Physical Therapy, Massage therapy, Osteopathic manipulations, and Medical care. There are also material risks inherent in the above listed alternatives, which should be discussed between you and the specialty care provider. You also have the option of not seeking any care. The risk of remaining untreated allows the formation of adhesions and reduces mobility, which sets up a pain reaction further reducing mobility.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are certain risks which may arise during the exam and treatment. While rare, those complications include: strokes or stroke-like conditions, Horner’s syndrome, diaphragmatic paralysis, cervical myelopathy, pathological fracture, cervical disc protrusions, cervical dislocations, costovertebral strains, rib fractures, costochondral separations, compression of the cauda equina. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise clinical judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interest. The risks of massage are bruising, local tenderness, and the release of toxins in the body. There are also risks in taking nutritional supplements, please contact your Primary Care Physician/ health care practitioner before using any nutritional products, including those dispensed in this office.

I have read or have had read to me the above explanation of the nature and purpose of chiropractic adjustments, other alternatives/ procedures for care, massage, and possible risk. I have also had the opportunity to ask questions about its content and have had my questions answered to my satisfaction. By signing below I state that I have weighed the risk involved in undergoing treatment and have myself decided that it is in my best interest to undergo the treatment recommended, and listed below. Having been informed of the risk, **I hereby request and consent to the performance of chiropractic adjustments, other chiropractic procedures, and diagnostic x-rays-if warranted, massage, and the use of natural substances, such as vitamins, minerals, or other natural substances on me or on the patient name below, for whom I am legally responsible, by the doctor of chiropractic named below and/or license doctors of chiropractic who now or in the future treat me while employed by, working or associated with or servicing as backup for the doctor of chiropractic named below and by the Licensed Massage Therapist listed below, including those working at the clinic or office listed below or any other office or clinic. I intent this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.**

Irrevocable Doctor's Lien and Assignment of Right to Recovery

In consideration and exchange for not having to immediately pay the debt owed and in consideration for receiving future care at or by Performance and Spine Chiropractic Center, LLC (hereinafter "Clinic"), I, the undersigned, hereby assign and convey to the Clinic a legal and equitable interest in any and all causes of action or rights of recovery I may have arising out of that certain accident or injury-producing event which occurred on or about the date of _____, to the full extent of the cost of treatment provided or to be provided to me by the Clinic.

I hereby authorize and my attorney(s) to hold in trust, and to pay directly to the Clinic such sums as may be due and owing the Clinic for treatment and other professional services rendered me both by reason of this accident and by reason of any other bills that are due to Clinic and to withhold such sums from any settlement, judgment or verdict as may be necessary to adequately pay and protect the Clinic. I hereby further give, grant, assign, and convey a legally enforceable interest and lien on my case to the Clinic against any and all proceeds of any and all causes of action, settlements, judgments, or verdicts by which I may be paid to or through my attorney, or myself, as the result of the injuries or conditions for which I have been treated by the Clinic.

I fully understand that if my attorney(s) does/do not protect the Clinic's interest, the Clinic may require me to make payments on a current basis. The Clinic may also bring a cause of action against my attorney(s) for failing to honor this binding and irrevocable agreement between me and the Clinic.

I further understand and agree that the Clinic is not responsible for paying any of my attorneys fees and the Clinic does not agree to pay my attorney(s) any attorneys fees for honoring this agreement between me and the Clinic.

"I HAVE READ AND FULLY UNDERSTAND THIS DOCUMENT, AND I AM VOLUNTARILY SIGNING THIS DOCUMENT. I AM DIRECTING MY ATTORNEY(S) TO PROTECT THE CLINIC'S INTEREST AT THE TIME OF SETTLEMENT, AND I AM ASSIGNING AND CONVEYING CERTAIN LEGAL RIGHTS OVER TO THE CLINIC.
